

# Platonic Solid Nets

Practice 5A: Chapter 1

**Cut out the net below along the solid lines. Then, fold along the dashed lines and tape to create your own regular tetrahedron!**

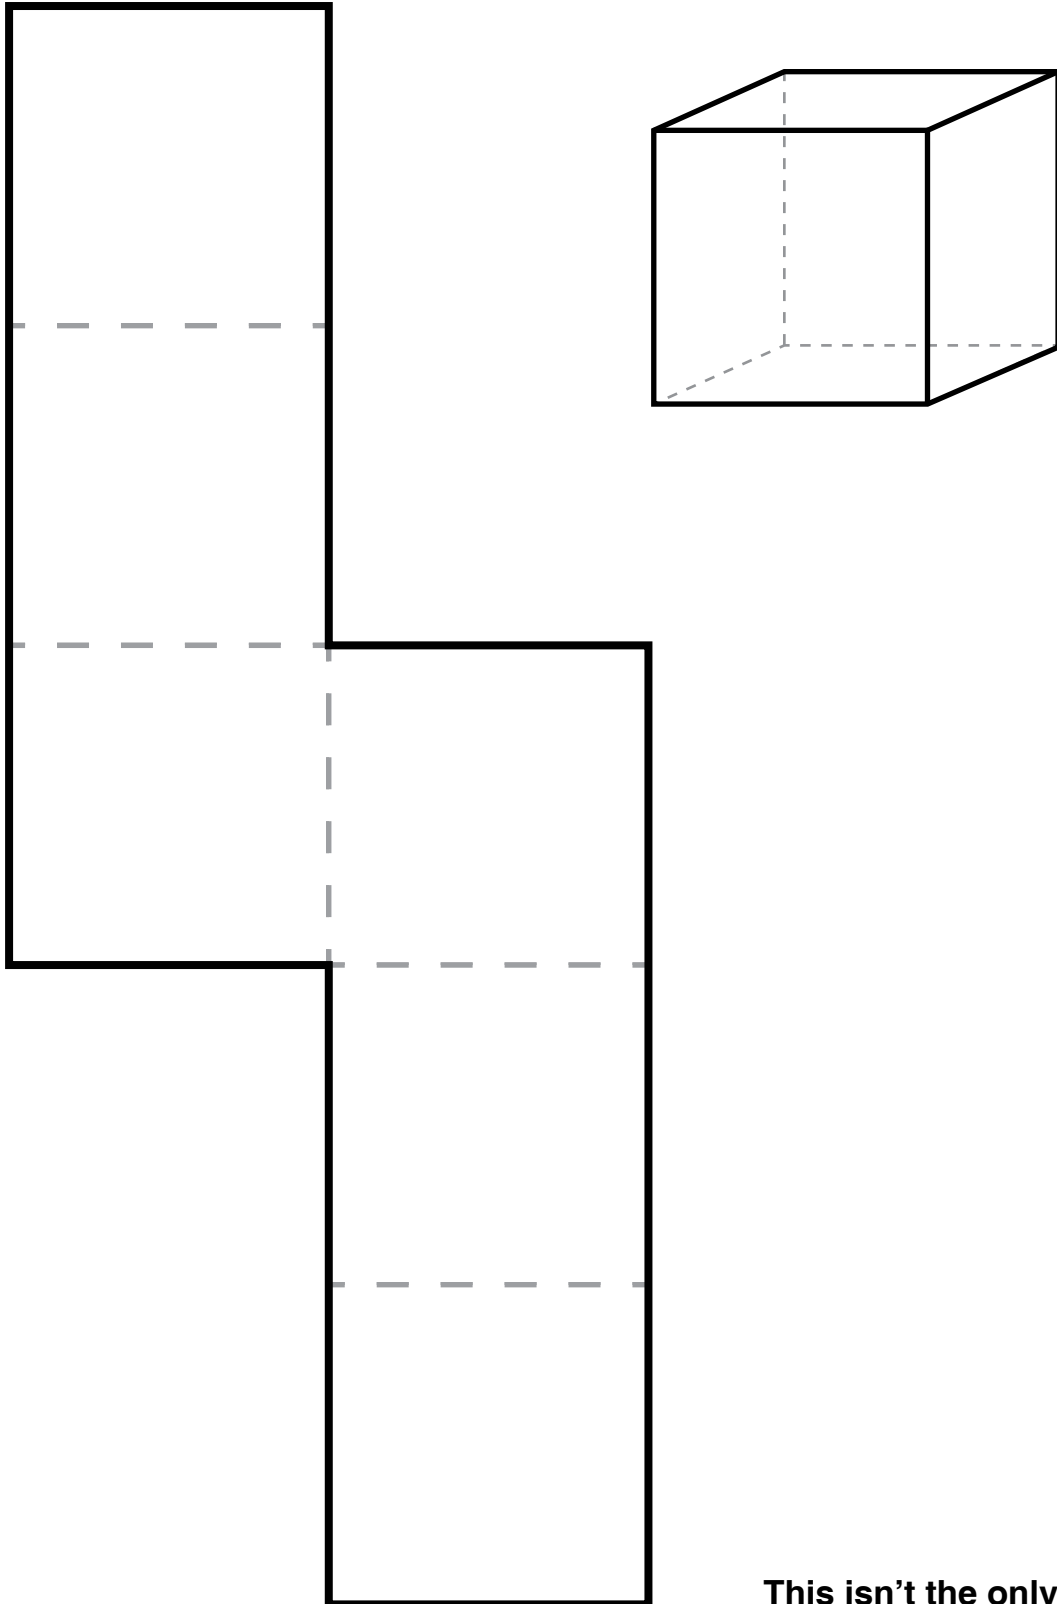

**This isn't the only regular tetrahedron net!**

# Platonic Solid Nets

Practice 5A: Chapter 1

**Cut out the net below along the solid lines. Then, fold along the dashed lines and tape to create your own cube!**

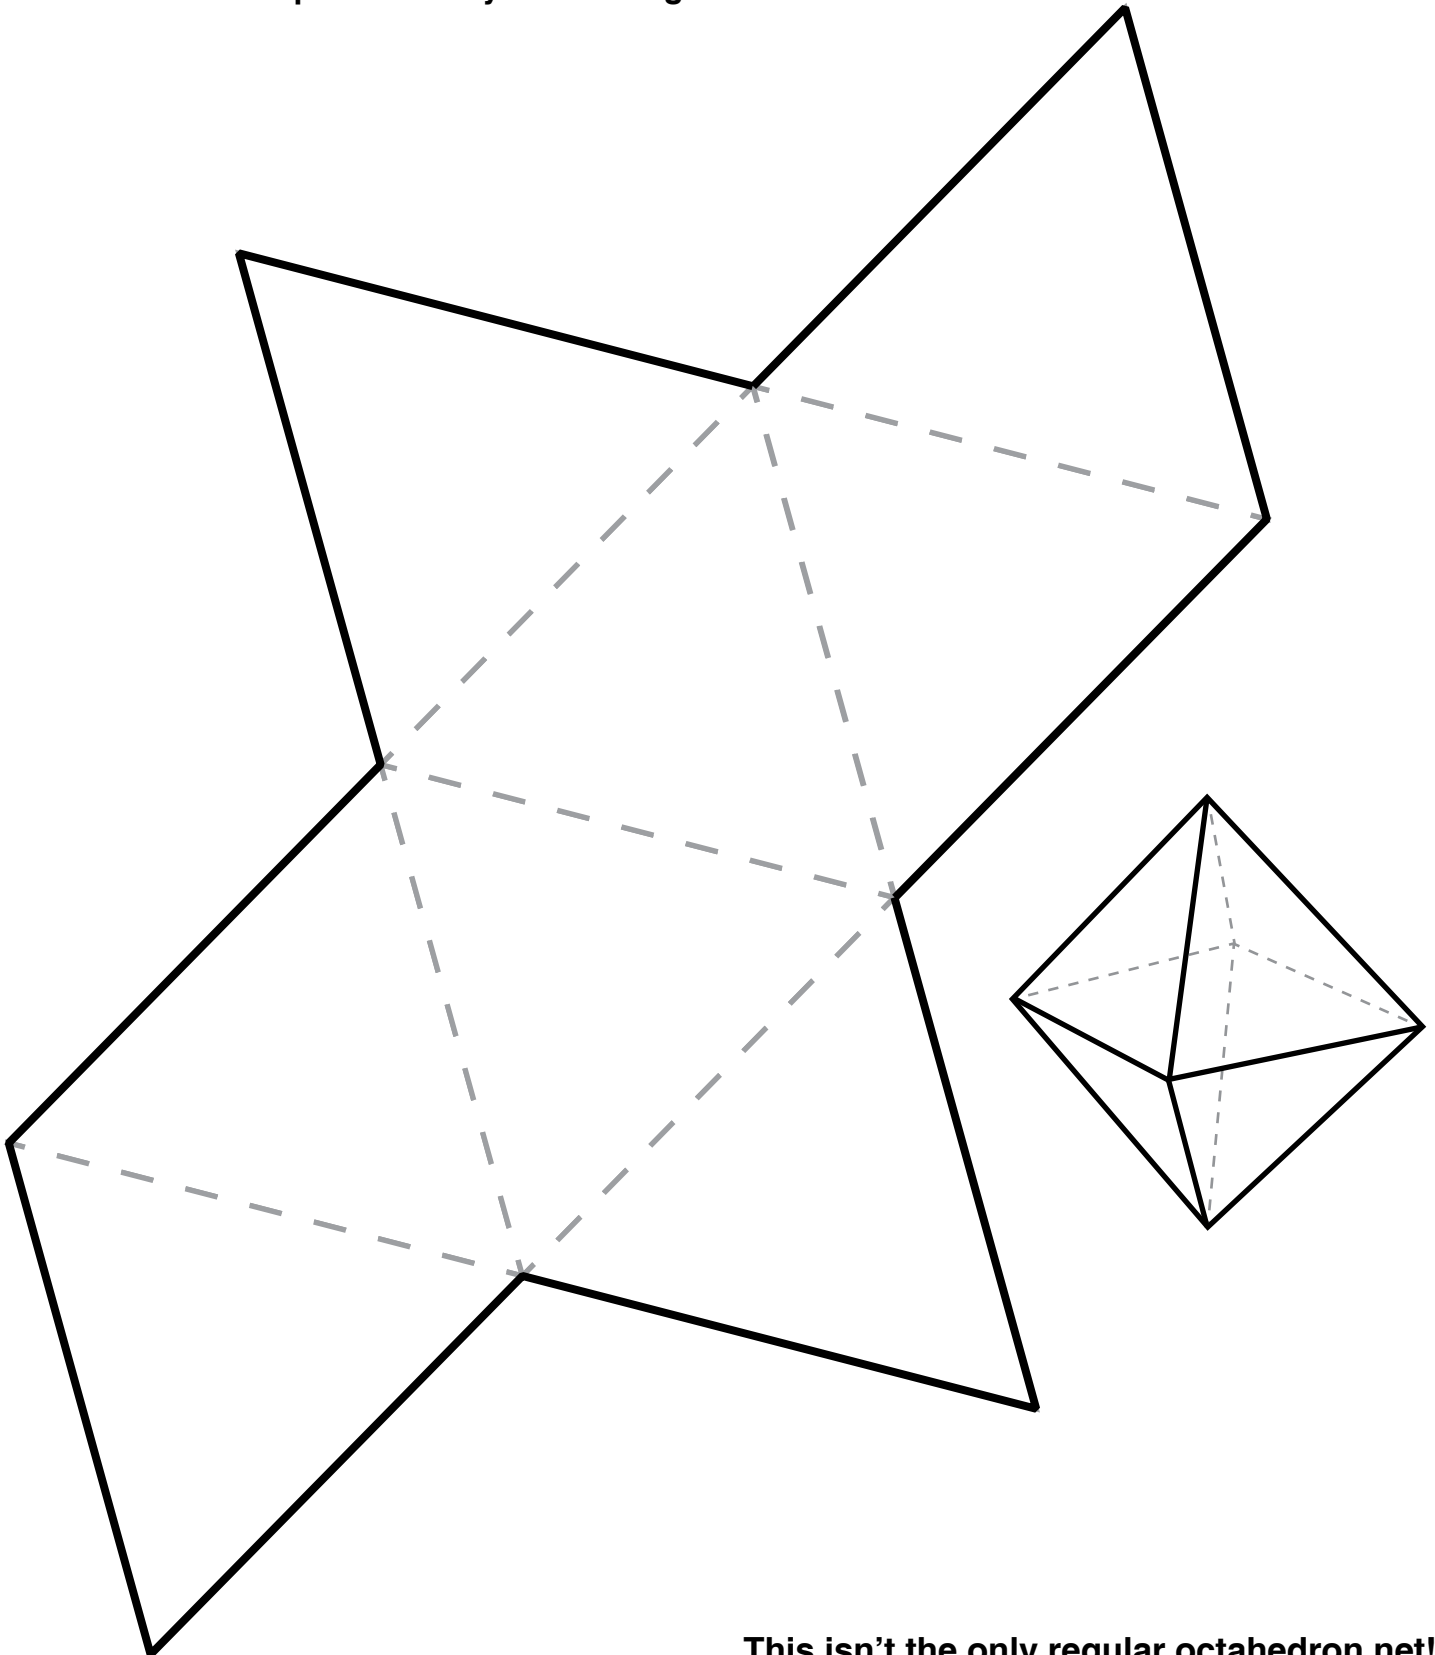

**This isn't the only cube net!**

# Platonic Solid Nets

Practice 5A: Chapter 1
